CCU Career Services

It is in your freshman year that you begin the career counseling process to decide the direction you want your career to take and what kind of college major you will need to get there.

Our professionally trained staff are here to provide high quality, personable, and accessible opportunities for students to choose a major and find and develop clear career objectives. To schedule an appointment with a Career Counselor please visit our HandShake page, call us at 843-349-2341, or stop by our office located in Lib Jackson Student Union, A203.
