Old Business

- A. Graduate faculty status and application update: A handout was provided showing graduate faculty status requirements for peer and aspirant institutions. They are all close in line with current CCU requirements. Additional information will be provided next month.

Chair Report

- A. Wes Fondren provided an update on admissions software. Slate is 100% up and running for graduate student applications.

Announcements

- A. Anthony Setari provided the form that the ad-hoc committee has created for graduate committees. A draft was given to council members, and he is accepting feedback. The form (with edits as needed) will be presented and discussed in the next meeting.
- B. Mention was made of possibly changing meeting day to align better with deadlines. Will look at changing the meeting to the first Wednesday **after** Faculty senate each month.

With no additional business, the meeting was adjourned at 12:15 p.m.

Respectfully submitted,

Christina Genovevo
Curriculum Management Coordinator
