Dear Dr. Wheelan,

Coastal Carolina University received approval from the South Carolina Commission on Higher Education to add the blended and 100% online instructional delivery modes to our existing program for the Master of Arts in Liberal Studies.

The change of delivery mode will allow students to select from the options to complete the degree entirely online or in a blended/hybrid format. This provides greater flexibility for working adults as well as individuals who do not live near the Coastal Carolina University campus. There is no change in credit hours and this does not affect the objectives of the program.

The CIP Code for this program is 24.0101 with the change in instructional delivery effective Fall 2021.

Should you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

Christine L. Mee
Accreditation Liaison
