Instruction:

Planning:

Environment:

Professionalism:

Post Conference Form

Reinforcement:

University Supervisor/Cooperating Teacher will determine the below information upon completion of the observed lesson:

Rubric Domain(s)	
Rubric Indicator(s)	
Rubric Descriptor(s)	

University Supervisor/Cooperating Teacher will complete this after the observed lesson and prior to the post conference.

Provide evidence from the observed lesson that describes . . .

- What did the teacher candidate say and do?
- What was the student response to the instruction?
- What did the students say and do?

that connects to the identified area of reinforcement.

(Please ensure there is a minimum of 3 pieces of evidence that establish a “trend” of practice throughout the lesson)

Refinement:

Teacher Candidate and University Supervisor/Cooperating Teacher will determine the below information upon completion of the observed lesson:

Rubric Domain(s)	
Rubric Indicator(s)	
Rubric Descriptor(s)	

University Supervisor/Cooperating Teacher will complete this after the observed lesson and prior to the post conference.

Provide evidence from the observed lesson that describes . . .

- What did the teacher candidate say and do?
- What was the student response to the instruction?
- What did the students say and do?

that connects to the identified area of refinement.

Suggestion(s) for how to improve upon the described practice:
