

Directions for Accessing Your Family Experience Portal

All of the static content, affinity group schedule with links, and Teal Tuesday Talk schedule can be viewed within the Family Experience Portal. In order to view the Family Orientation content, you will need to be added to the private community.

Already have a profile? If you already have a profile on the Family Experience Portal, we will add you to the Virtual Family Orientation community. You should see the content exclusive to the 2020 Virtual Family Orientation community once you have been added.
